

STAAR Dictionary Policy

Dictionaries must be available to all students taking the following STAAR assessments: **grades 3–8 RLA**, **Spanish grades 3–5 RLA**, **English I**, and **English II**. A dictionary tool appropriate for these tests and that fulfills this requirement is available for student use in the online testing platform.

For students testing online with access to an additional dictionary or students testing on paper, the following information applies.

District- or Student-Supplied Dictionaries

- Districts may provide dictionaries, or students may bring them from home.
- To the extent allowable, students should be provided or allowed to use the same type of dictionary
