**Official Record of Educator Certificates; Glossary**

**Canceled**

A **canceled** credential is one that was issued in error, and has been invalidated by a

**Pending:**

A **pending** suspension is a suspension whose term has run, but which is still in effect because the educator has not taken the necessary steps to clear the suspension and reinstate the validity of a certificate.

-----

**Probated Suspension:**

A **probated suspension** is a suspension that is not enforced as long as the conditions of probation are met. If a certificate holder violates any of the terms of probation, SBEC may revoke the probation and the suspension may become immediately effective. As long as the probation is not revoked, a certificate is valid during the term of the probation.

-----

**Restricted:**

A **restricted** certificate has limitations on its use that have been imposed by SBEC order.

-----

**Revoked:**

A **revoked** certificate has been rendered permanently
